Citizens Capital Improvements Committee Adds Three Members

Mayor Tom Arceneaux announced that three additional citizens have been added to the Citizen Capital Improvements Committee which is providing and receiving citizen input on a proposed City Bond issue next spring.

District F: Mella Brown and Darrin Dixon

At large member: Cedric Choyce, as a representative of the Central Trades and Labor Council of Shreveport and Vicinity, AFL-CIO.

Over the past three weeks, the committee has held public meetings to seek input on possible bond issue projects. Council members and citizens are asked to submit suggested projects, based on the needs they see within our neighborhoods.

The next meeting will be Thursday, September 21, 2023, at 5PM on the 2nd Floor in Government Plaza.

The Shreveport City Council has the final authority on whether to call an election and which propositions will be included.
