Shreveport Mardi Gras Parades 2024

Over several months, Mayor Arceneaux has met with the Shreveport Police Department, Shreveport Fire Department, SPAR, and Public Works after the 2023 Mardi Gras season to determine how the city could best handle the public safety issues associated with the growth of the two of Shreveport's largest Mardi Gras parades.

As a result of those meetings, Mayor Arceneaux, Stacy Brown of Visit Shreveport Bossier, and two of the largest Mardi Gras Krewes, Centaur and Gemini will hold a press conference tomorrow, October 24, 2023, at 11AM on the 2nd Floor of Government Plaza in the Mayors Large Conference.

Mayor Arceneaux expressed confidence in the safety measures being put in place and emphasized the city's dedication to a successful Mardi Gras season.
