**“City of Shreveport’s Community Development Building
Reopens First Floor January 8th”**

Beginning January 8th, the City of Shreveport’s Community Development Department will reopen its office located at 401 Texas Street in downtown Shreveport. In 2022, the second floor of the building suffered a busted pipe which left 3 feet of water throughout the first and second floors of the building, causing major damage. “Renovations are complete, and we are excited to be able to greet our constituents and the public again. We want to thank the public for their patience,” stated Bonnie Moore, Department Director.

The office hours will remain the same from 8 AM to 5 PM daily, Monday through Friday. You can visit the City of Shreveport’s Community Development website at <https://www.shreveportla.gov/240/Community-Development>.
