**Fatal Accident On I-20 In Shreveport**

At approximately 5:50 AM today, the Shreveport Police Department responded to a major accident on Interstate 20, West of Pines Road. Upon arrival, officers discovered an overturned 18-wheeler and a 2022 Kia involved in the crash. Regrettably, the driver of the 18-wheeler suffered fatal injuries.

Preliminary investigations suggest that both the 18-wheeler and the Kia were traveling westbound at the time of the collision. Fortunately, the driver of the Kia emerged from the incident unharmed.

The Shreveport Police Department continues its thorough investigation into this case to determine the circumstances leading to the accident. As always, we urge the public to exercise caution and stay alert while driving.
