The Shreveport Police Department is proud to announce its upcoming Blood Drive scheduled for Thursday, February 15th, from 9 A.M. to 1 P.M. The event will take place at the Shreveport Police Station located at 1234 Texas Street.

In collaboration with LifeShare Blood Center, the Shreveport Police Department aims to bolster community health by encouraging residents to participate in this noble cause. The Blood Drive provides an opportunity for individuals to contribute to the well-being of their fellow citizens by donating blood, a life-saving resource crucial for various medical treatments and emergencies.

The Shreveport Police Department encourages all eligible individuals to join this initiative and donate blood. Each donation has the potential to save up to three lives, making every contribution significant in helping those in need.

Let's come together as a community to support this worthy cause and make a positive impact on the lives of those in need.
