**COMMUNITY BOND MEETING CANCELLED DUE TO INCLEMENT WEATHER**

The Office of the Mayor regrets to announce the cancellation of the Community Bond Meeting for District A, originally scheduled for tonight, April 10<sup>th</sup>, 2024, at 5:30 pm at Lakeside Park Recreation Center, due to severe weather conditions.

At this time, we want our department heads to focus on the weather response of their departments, ensuring the safety and security of all citizens. We will prioritize addressing the bond issue at a safer time when weather conditions allow for full community participation.

We are actively working to reschedule this meeting at the earliest opportunity. We will provide updates on the rescheduled date and time through our official channels, including the city website, social media platforms, and local news outlets. We encourage all residents in District A to stay informed and participate in this important dialogue once the meeting is rescheduled. Thank you for your understanding.
