**Shreveport Police Hosts “Pinwheels for Prevention Campaign” in Honor of  
National Child Abuse Awareness Month**

On April 24th, 2024, at 11:00 a.m., the front lawn of The Shreveport Police Department will be decorated with pinwheels, symbolic of our support for all victims of child abuse. This campaign underscores our commitment to creating a supportive environment for children and families in our community, ensuring every child has a safe and hopeful future.

We extend an invitation to local police agencies, government officials, media partners, community outreach groups, and concerned citizens to join us in this noble cause. Together, let us stand as one to demonstrate our solidarity and unwavering dedication to ending child abuse.
