**Shreveport Police Arrest Three Men with Illegal Firearms**

Thaddeus James Sekory James Kedrick White

The Shreveport Police Department announces the arrest of three individuals in connection with illegal firearms possession. Responding to a shots-fired call in the 6800 block of West Canal Boulevard, patrol officers swiftly acted, detaining a homeowner in the 2900 block of Sunset Circle after discovering shell casings in the driveway.

Upon further investigation, it was revealed that multiple occupants were hiding inside the residence. The Violent Crimes Abatement Team (VCAT) was called to the scene to continue the operation. Subsequently, VCAT members secured and executed a search warrant for the property, leading to the discovery and confiscation of ammunition, magazines, and three firearms that had reportedly been unlawfully modified to operate as fully automatic weapons.

The individuals arrested in connection with this incident are nineteen-year-old Thaddeus James, eighteen-year-old Sekory James, and seventeen-year-old Kedrick White. They have been charged with possession and handling of a machine gun, as well as illegal use of a weapon. The seized firearms will serve as crucial evidence in the ongoing investigation.

SPD remains committed to ensuring the safety and security of our community by actively pursuing and apprehending individuals engaged in illegal firearm activity.

The Shreveport Police Department urges anyone with information regarding illegal firearms or criminal activity to contact authorities immediately.

We are required to remind that all suspects are innocent until found guilty.
