**Incident at Airport Park Leads to Pursuit and Tragic Conclusion**

In the early hours of May 19, Shreveport Police Patrol officers encountered a suspicious vehicle at Airport Park on Kennedy Drive. Upon approaching the vehicle, the driver fled, prompting a pursuit.

Approximately 20 minutes later, the vehicle came to a stop in the 100 block of Lake Street. As officers approached the vehicle, a single gunshot was heard. Officers discovered that the driver had sustained a self-inflicted gunshot wound and immediately began rendering aid.

Shreveport Fire Department medics arrived promptly and transported the driver to a local hospital, where he was pronounced dead shortly after arrival.

Detectives from the Shreveport Police Department and the Caddo Parish Coroner's Office responded to the scene. The driver was later identified and found to have outstanding traffic warrants.

The investigation is ongoing, and no further details are available at this time. Identification will be made by the Caddo Parish Coroner's Office.
