Arrest Made in Middle School Molestation Case

Charles Powell

The Shreveport Police Department has made an arrest in a molestation case involving an administrator at Keithville Middle School. This action follows a report made by Child Protective Services regarding allegations of inappropriate sexual statements made to a juvenile student by a school administrator.

Upon receiving the report, the Shreveport Police Department conducted thorough forensic interviews with several juvenile victims. During these interviews, two victims disclosed incidents of assault.

As a result of these findings, a warrant was issued on May 29, 2024, for two counts of Molestation of a Juvenile against 59-year-old Charles Powell. On May 30, 2024, Powell was arrested by Shreveport Police Sex Crimes Detectives.

This case remains under active investigation. The Shreveport Police Department encourages anyone with additional information to come forward.

Suspects are innocent until proven guilty.
