PRESS RELEASE

March 4, 2014

T-BONE Sweep set for Wednesday in District A

Inspectors for the Department of Property Standards will conduct a sweep tomorrow, March 5, in Council District A as part of a strategic, ongoing effort to remove blight throughout the city.

Representatives from the police department, public works and animal control will assist in the sweep, which begins at 8 a.m. at the southeast corner of Martin Luther King Dr. and David Raines.

Trash bins will be available at the site for residents to discard tires, bulky trash items and debris. If citizens are unable to bring their unwanted tires, they may arrange a pickup by calling 673-6204 or 455-6065. The trash bins are for residential use only.

The targeted sweeps have resulted in several citations. For example, last month's sweep in District F produced 125 citations for inoperable vehicles; 45 parking citations; and 16 Seven Day Stickers.
