## Shreveport Fire Department to be Presented with check by Willis Knighton

The Shreveport Fire Department will be presented with a check for \$54,000 by Willis Knighton Health to purchase equipment to properly outfit six new SFD Dodge Ram pickup trucks used for emergency response by our fire investigation unit. The check presentation from President and CEO Jaf Fielder to Fire Chief Clarence Reese, Jr will be at 1:30 p.m. on June 5, 2024, at Shreveport Fire Station No. 8, located at 2726 Greenwood Road.

The fire department recently purchased six new crew cab trucks to replace the aging fleet of its fire investigator's response vehicles. Specific equipment is needed before it can be put into service. The new equipment will be used so that they can safely transport gear and tools necessary for render safe procedures of hazardous devices located within the department's response area, as well as storing and transporting their personal protective equipment.

The Shreveport Fire Department is thankful to the Willis Knighton health System for their continued support as we gout each day to serve the citizens of Shreveport.
