**Shreveport Police Nonemergency Number Experiencing Technical Issues**

Due to the recent severe weather, the Shreveport Police Department's non-emergency number is currently not functioning. We are asking citizens to use 318-675-2129 for nonemergency needs until further notice.

We are working diligently to resolve this issue and hope to have the nonemergency number operational again in the near future.

Please note that 911 services remain fully operational for all emergency dispatch needs.

Thank you for your patience and understanding during this time.
