Shreveport, LA — The Reisor neighborhood is gearing up for a morning of community spirit and environmental stewardship. Councilwoman Ursula Bowman, in partnership with the Property Standards Department, is proud to announce the Reisor Neighborhood Cleanup event scheduled for Saturday, July 20th at 8:00 AM.

This event is a fantastic opportunity for residents to come together, foster community pride, and help maintain the beauty and cleanliness of our neighborhood. Volunteers will gather at 5912 King St. to receive instructions and safety guidelines.

Councilwoman Ursula Bowman expressed her excitement for the event, stating, "Our community is stronger when we work together. This cleanup is not just about picking up trash; it's about building connections and showing pride in our neighborhood. I encourage everyone to come out and join us in making a positive impact."

The Property Standards Department will provide some necessary equipment, but volunteers are encouraged to bring their own gloves, trash bags, litter grabbers, and water. Staying hydrated is essential, so please remember to bring enough water for yourself and your family. Volunteers are also encouraged to wear comfortable clothing and sturdy shoes.

Dumpsters will be on site until 1:00 PM for citizens to bring tires and other household junk and debris. (NO CHEMICALS OR MEDICAL SUPPLIES).

Participants of all ages are welcome, and families are encouraged to attend. This event is a wonderful way for residents to teach children the importance of community involvement and environmental responsibility.

Let's make the Reisor neighborhood a cleaner, safer, and more vibrant place to live. We look forward to seeing you there!
