Airport Park Pool Closed for Remainder of the Pool Season

Shreveport Public Assembly & Recreation (SPAR) announces the Airport Park swimming pool closure for the remainder of the pool season.

SPAR's maintenance team has identified a mechanical issue that requires specialized parts and repairs. Unfortunately, the pool season will be over by the time these repairs can be made. We apologize for the inconvenience this may cause our community members who frequent the Airport Park pool.

Despite the pool closure, all other city pools remain open until August 3rd. Southern Hills will continue to welcome swimmers through Labor Day weekend.

Looking ahead, Airport Park's pool has exciting improvements on the horizon, thanks to the community's support in the recent bond election. The approved funding will be used to enhance the facilities, ensuring a better experience for all visitors in the future.

In the meantime, residents and visitors can continue to enjoy the spray grounds at Airport Park, which will remain open daily from 8 a.m. to 8 p.m. until October 1st. These facilities offer a fun and refreshing way for families to beat the heat during the summer months.

For more information about pool locations, hours, and special events, please visit the SPAR website (www.myspar.org/) or contact SPAR at (318) 673-7727.
