### Shreveport Fire Department Responds to Residential Fire on Blue Spruce

**Shreveport, LA** – On Thursday, August 29, 2024, Shreveport Fire Department (SFD) crews were dispatched at 8:36 AM to the 9200 block of Blue Spruce Drive in response to a fire reported at a single-story residence. SFD Engine 15 arrived on the scene within five (5) minutes and confirmed smoke and flames visible from the rear of the structure.

It took the combined efforts of nine (9) units, including twenty-seven (27) firefighters and support staff, to bring the fire under control by 9:04 AM. The occupants of the home were not present during the fire, and fortunately, there were no reported injuries to the public or any firefighters on the scene. American Red Cross assistance provided to homeowners.

The origin and official cause of the fire are currently under investigation by Shreveport Fire Department investigators. The SFD extends its gratitude to the neighbor who called 911, whose alertness was crucial in bringing attention to this fire.
