Update: - Shreveport Fire Responds to a Building Fire at the Vacant Jolie Apartments – One (1) SFD Firefighter Injured

The SFD Firefighter that was injured while attacking the blaze at the vacant Jolie Apartments fire on Friday, October 11, 2024 has been released from the hospital and is expected to make a full recovery.

Correction – Mayor Tom Arceneaux’s Declaration of State of Public Health and Safety Emergency has since expired in September and the Jolie Apartments’ lender in control has executed documents that obviated the need for the complex to be under the emergency order.
