Police Seek Identity Of Postal Pilferer

Investigators with the Shreveport Police Department's Financial Crimes Division are asking the public's help to identify a man accused of stealing and forging a money order in early August.

The victim reported that on August 8, 2024, she mailed a check to her mortgage company for just over \$600.00 from a United States Postal Service Collection box in the 8300 block of Mansfield Road. After a week the mortgage company contacted the victim inquiring about the payment. The victim tracked the money order and learned that it had been cashed. She filed a report and detectives launched an investigation. Through that investigation they learned that the money order had been altered and then cashed at the main post office on Texas Street.

Investigators secured video surveillance footage of the suspect and have released that video in hopes that the public can help identify the suspect(s).

Caddo Crimestoppers is offering a reward for information leading to the identification and arrest of the individual(s) responsible for this crime. They can be contacted through their app, P3Tips or by phone at 318-673-7373. Remember Crime Stoppers only wants your information, not your name.
