Fire Station #14 Grand Opening Scheduled

On Monday December 16, 2024 @ 10:00 Shreveport Fire Department and the City of Shreveport will host the Grand Opening for Fire Station #14 located at 3880 Greenwood Road. The newly opened station will house both Fire Engine 14 and Medic 14. In the year 2023 these units responded to over 6,600 calls for service, making it one of the busier fire stations in the City of Shreveport.

Fire Chief Clarence Reese, Jr. stated, "It is with great pride that we announce the opening of the new Fire Station 14. This station is a reflection of our citizens trust in Shreveport Fire Department as a result of the 2021 General Obligation Bond. This station is designed to better serve the community and ensure the safety of all who live and work here. We look forward to continuing our service to our community from this new facility for many years to come."

Crews will move from their previous station located at 3830 Greenwood Road that has served since 1961 under Mayor Clyde Fant's administration.
