**Traffic Stop Leads to Recovery of Stolen Firearm, Narcotics, and Fugitive Arrest**

**D'nique Walker**

**Kameron Durden**

On Thursday, December 26, 2024, at approximately 12:57 AM, Shreveport Police officers conducted a traffic stop at the intersection of Market Street and Texas Street that led to multiple arrests and the recovery of a stolen firearm.

The incident began when officers observed a vehicle making several traffic violations, including merging across two lanes of travel after a green light and making an improper left turn into an alley from the second lane. The vehicle nearly collided with a police unit, prompting officers to activate their emergency lights to conduct the stop.

Officers made contact with the driver, identified as D'nique Walker, and his passenger, identified as Kameron Durden. For officer safety, both individuals were patted down for weapons. During the pat-down, officers felt a bag in Durden's hoodie pocket which was found to be narcotics. Both Walker and Durden were detained in the police vehicle while officers searched the suspect vehicle.

The search revealed a handgun under the driver's seat and a small bag of marijuana in the driver's

door. Further investigation determined the firearm was reported stolen from the Morehouse Parish Sheriff's Office. Additionally, Durden was found to have an active warrant out of the East Baton Rouge Sheriff's Office for failure to appear in court on two counts of domestic abuse battery, issued on February 16, 2024.

Charges Filed:

- D'nique Walker:
  - Illegal possession of a stolen firearm
  - Possession of Schedule I narcotics (marijuana)
  - Stopping in a crosswalk
  - Improper turn
  - License plate light violation
- Kameron Durden:
  - Fugitive warrant (East Baton Rouge Parish)
  - Possession of Schedule I narcotics (marijuana)

This case highlights the importance of proactive traffic enforcement in keeping our community safe by removing illegal weapons and wanted individuals from the streets.
