**Family Argument Turns into Felony**

**John Wynne**

On December 27, 2024, Shreveport Police Department (SPD) officers responded to a reported assault and battery at a residence located at 422 Wynnewood Road.

Upon arrival, officers made contact with the victim, who stated that his brother, John Wynne, had unlawfully entered his home through a side door and physically assaulted him. The victim reported that the incident stemmed from a dispute regarding a projector that John had loaned to him approximately 15 to 20 years ago. When informed that the projector was no longer in the victim's possession, the brothers engaged in a verbal altercation over the phone.

According to the victim, John Wynne later arrived at his residence, entered without permission, and the verbal argument escalated into physical violence. Officers observed visible bruising on the left and right sides of the victim's face as well as on his nose.

Officers subsequently made contact with John Wynne at his residence. During the interaction, John admitted to striking his brother, leading to a physical altercation.

John Wynne (W/M) was taken into custody without incident and booked into the Shreveport City Jail on a charge of Home Invasion.

This incident highlights the importance of resolving disputes peacefully and underscores SPD's commitment to addressing criminal behavior promptly.
