**Shreveport Police Seek Violent Suspect Wanted for Multiple Shootings**

**Cartez Claville**

On Sunday, January 19, 2025, at approximately 9:20 PM, Shreveport Police Department Uniformed Patrol Officers were dispatched to a residence in the 5800 block of 2nd Street in response to a shooting. Upon arrival, officers discovered a 59-year-old male victim bleeding heavily from a gunshot wound to the head and neck area.

The victim, who has since been stabilized and is expected to make a full recovery, informed detectives that he was home alone when he heard a knock at his door. Upon opening it, he observed a subject known to him as "Cartez Claville." After allowing Claville to enter, the victim turned his back, at which point Claville allegedly shot him once in the neck before fleeing the residence on foot.

Detectives identified the suspect as Cartilieus Claville (DOB: 02/18/1985), who is also known as "Cartez Claville." Investigators learned that Claville was already wanted by law enforcement for multiple violent crimes, including:

- Attempted Second-Degree Murder: An arrest warrant was issued on January 10, 2025, for a shooting that occurred on January 7, 2025, at the Economy Inn, located at 5101 Monkhouse Drive in Shreveport.
- Attempted Armed Robbery: Claville is a suspect in an attempted armed robbery in Arlington, Texas, on January 10, 2025. During that incident, shots were exchanged with law enforcement officers before Claville evaded capture.

A second arrest warrant for Attempted Second-Degree Murder has now been issued for the January 19, 2025, incident.

Claville is considered armed and extremely dangerous. Anyone with information on his whereabouts is urged to contact local law enforcement immediately. Do not attempt to approach or apprehend him.
