### New and Improved Home for the SPD Investigations Bureau

The Shreveport Police Department is excited to announce that the Investigations Bureau has officially moved to its new location at 2031 Kings Highway, Shreveport, LA!

This state-of-the-art facility is a significant step forward in supporting the vital work our detectives do every day to serve and protect our community. The modern design and upgraded features of this new office space allow for improved efficiency, better collaboration, and a more professional and welcoming environment for both staff and visitors.

“We are thrilled to see this transition come to life,” said Chief Wayne Smith, who surprised the team with a visit earlier today to check out the new workspace. “This facility represents our commitment to equipping our officers with the resources they need to serve Shreveport to the best of their abilities.”

Community members are reminded that the Investigations Bureau remains reachable at 318-673-7300 for inquiries or assistance.
