Shreveport Police Seek Two Suspects Wanted for Tractor Supply Theft

Shreveport Police detectives are searching for two suspects involved in a theft at the Tractor Supply store located at 9620 Mansfield Road on December 10, 2024.

During the investigation, it was discovered that three individuals—two females and one male—entered the store and stole approximately \$2,900 worth of Yeti cooler bags.

Further investigation linked one of the vehicles with Angela Alex and Jakayla Moore. Detectives compared photos of Alex and Moore with surveillance footage from the incident and identified them based on matching characteristics.

As a result of the investigation, detectives obtained arrest warrants for Angela Alex and Jakayla Moore, charging each with 1 count of Felony Theft.

It is important to emphasize that retail theft is not a victimless crime. These actions lead to higher prices for consumers and place additional burdens on businesses. The Shreveport Police Department takes retail theft seriously and will continue to investigate and hold offenders accountable.

Anyone with information on the whereabouts of Angela Alex or Jakayla Moore is encouraged to contact the Shreveport Police Department at (318) 673-7300 or submit an anonymous tip to Caddo Crime Stoppers at (318) 673-7373.
