FOR IMMEDIATE RELEASE

January 29, 2025

South Pointe Intersection Closure

Monday February 3rd, beginning at 6:00 am, the contractor for the City of Shreveport will close South Pointe Parkway at the intersection with Knight Street. This work is scheduled for approx. 6 weeks. The closure is necessary to complete the reconstruction of the intersection. Traffic on South Pointe Parkway will be required to utilize Dee St and Flyer Dr to detour back to Knight St. Northbound traffic on Knight St will be shifted to the new pavement during this time. Southbound traffic on Knight St will continue to use Flyer Dr to detour back to Knight St. Please follow all signing and as always use caution in the work zone.

Provisions will be made for intersection to be open for Mardi Gras parades on February 22 & March 1.

Diagram below for reference. Any questions should be directed to city engineering staff at 318-673-6000.
