The Shreveport Police Department's Property Crimes Investigators are asking for the public's assistance in an ongoing investigation regarding the theft of a Caterpillar Skid Steer from a construction site in West Shreveport.

On Monday, January 13, 2025, members of a construction crew reported that their Caterpillar Skid Steer had been stolen from a job site located on West 70th Street. The theft is believed to have occurred sometime over the weekend.

Investigators obtained video surveillance footage from nearby businesses, which captured a large pickup truck hauling a flatbed trailer. The footage shows the truck taking the skid steer from the job site and fleeing westbound on West 70th Street towards West Bert Kouns Industrial Loop between 8:00 p.m. and 8:30 p.m. on Sunday, January 12, 2025.

The Shreveport Police Department urges anyone with information regarding this incident to contact the Property Crimes Division at 318-673-7300. Anonymous tips can also be submitted to Caddo Crime Stoppers at 318-673-7373, where you may be eligible for a cash reward.
