Shreveport Fire Announces Temporary Closure of Station #4 for Renovations

Shreveport, LA – Monday, February 17, 2025 – The Shreveport Fire Department (SFD) today announced that Station #4, located at 2200 Milam St., Shreveport, LA 71103, will temporarily close for renovations beginning Monday, February 17, 2025. During this time, the station will remain vacant as crews are reassigned to other locations throughout the city to ensure continued emergency coverage.

Fire Chief Clarence Reese, Jr. emphasized that the SFD is taking every precaution to maintain response times during the closure. "The safety of the citizens of Shreveport is our top priority. We are actively dispersing our crews across the city to minimize any potential delays in our response to emergencies," said Chief Reese, Jr. "We are committed to ensuring that our community continues to receive the high level of service and protection they expect and deserve."

The closure of Station #4 is part of a larger effort to improve and update the facility, ensuring it remains a safe and effective resource for the community. Crews will continue to be stationed in other areas of the city to avoid any disruption in service.

The Shreveport Fire Department urges citizens to remain alert and aware of the changes but reassures them that emergency services will remain fully operational. In the event of an emergency, please do not hesitate to call 911.

For further updates and information, the Shreveport Fire Department encourages the public to follow their official website and social media channels.
