Detectives from the Shreveport Police Department (SPD) Violent Crimes Unit are releasing footage of a vehicle that detectives believe may have knowledge pertaining to the homicide investigation from a local fast food business. Anyone with information is urged to contact the Shreveport Police Department.

On February 13, 2025, at approximately 2:39 AM, SPD patrol officers and Shreveport Fire Department (SFD) medics responded to a motor vehicle crash at East Bert Kouns and East Kings Highway. Upon arrival, SFD medics determined that the driver of one of the vehicles had sustained at least one gunshot wound. The victim was immediately transported to Ochsner LSU Health Shreveport in life-threatening condition.

Shortly after arriving at the hospital, detectives were informed that the victim had succumbed to their injuries and was pronounced deceased.

A short time later, SPD officers located an additional shooting victim at the intersection of Youree Drive and Southfield Road. The male victim was transported to Ochsner with non-life-threatening gunshot wounds.

Preliminary investigations revealed that the deceased individual had been driving a vehicle with a passenger when another vehicle opened fire on them near East Kings Highway and 70th Street. The passenger fled the scene on foot before eventually stopping at Youree Drive and Southfield Road. The deceased driver has been identified as a food delivery worker.

The investigation remains ongoing, and anyone with information is urged to contact Shreveport Police at 318-673-7300 or Caddo Crime Stoppers at 318-673-7373.
