Domestic Violence Injures Infant

Rodriques Strickland

Shreveport Police Department Domestic Violence Detectives are actively searching for Rodriques Strickland after responding to a brutal domestic violence incident that left a woman and her infant injured.

On February 20, 2025, patrol officers were dispatched to a local hospital, where they found a woman receiving treatment for non-life-threatening injuries. The victim reported that her live-in boyfriend, Rodriques Strickland, came home intoxicated and assaulted her multiple times using his fists and household items, including a weighted dumbbell.

Disturbingly, the victim was holding their 7-month-old son during the attack, and at some point, Strickland's fist struck the infant. A family member later took the baby to receive medical attention for his injuries, which were determined to be non-life-threatening.

Officers observed multiple swollen areas and a small gash on the victim's forehead. The infant sustained a bruised left eye.

As a result of the investigation, warrants have been issued for Rodriques Strickland's arrest on the following charges:

- Domestic Abuse Battery Committed with a Dangerous Weapon
- Domestic Abuse Battery – Child Endangerment Law
- Cruelty to Juveniles

Anyone with information on Strickland's whereabouts is urged to contact the Shreveport Police Department at (318) 673-7300 or Caddo Crime Stoppers at (318) 673-7373.
