**PLANNED WATER SERVICE INTERRUPTION ON KNIGHT STREET EFFECTIVE
10:00 PM WEDNESDAY, MARCH 12th UNTIL 6:00 AM THURSDAY, MARCH 13th, 2025**

This evening on March 12th at 10:00 pm, the water will be shut off on Knight Street until 6:00 am tomorrow morning. This water service interruption is necessary for construction purposes. The planned shutdown will affect several locations, including Cordaro Event Center, Maplewood Apartments, and Magnolia Apartments, which will be completely without water during this time.

City field staff have already notified the front offices of affected properties, but residents and businesses in the area are encouraged to plan accordingly for the temporary disruption.

The City of Shreveport advises residents to take necessary precautions, such as storing water in advance for drinking, cooking, and hygiene needs. Water service will be restored as soon as the work is completed.
