FOR IMMEDIATE RELEASE

3/20/25

Shreveport Police Department to Conduct Seatbelt Checkpoint

The Shreveport Police Department will conduct a seatbelt checkpoint on Tuesday, March 25, 2025, beginning at 12:00 p.m. and concluding at 7:00 p.m. in the southwest region of the city.

The purpose of this checkpoint is to ensure drivers and passengers are in compliance with Louisiana's occupant protection laws. While the focus will be on seatbelt violations, officers will also address other traffic safety concerns as they arise.

As we continue to see a rise in serious and fatal crashes in our area, our officers will continue to work diligently to reduce the number of deaths and severe injuries involving unrestrained motorists. The construction and operation of this checkpoint will follow the guidelines outlined in the Louisiana State Police Roadside Safety Checkpoint Manual.

This enforcement effort is funded by the Louisiana Highway Safety Commission's highway safety grant, and we encourage all motorists to buckle up and drive safely.
