Shreveport Police Department Issues Scam Alert

The Shreveport Police Department has been made aware of a recent scam in which individuals are contacting citizens by phone and fraudulently posing as members of our department. These scammers are using technology that allows them to mask their actual phone number, making it appear as though the call is coming from the Shreveport Police Department.

We want to reiterate: The Shreveport Police Department will never solicit money or banking information over the telephone. If you receive a call that seems suspicious—it likely is. Do not share any personal or financial information with anyone claiming to be from law enforcement over the phone.

If you have received one of these calls, or if you have any questions or concerns, please contact your local law enforcement agency for guidance. Staying vigilant is key to protecting yourself and others from becoming victims of fraud.

For non-emergency assistance, contact the Shreveport Police Department at (318) 673-7300.
