Shreveport Police Investigate Shooting on Greenway Place

On April 24, 2025, just after 4:00 p.m., Shreveport Police officers were dispatched to the 3800 block of Greenway Place in reference to a shooting that had just occurred. Upon arrival, officers located a male suffering from multiple gunshot wounds. The victim was transported to a local hospital with what were described as life-threatening injuries.

Detectives with the Violent Crimes Unit responded to the scene and launched an immediate investigation. Preliminary findings indicate that an armed man arrived at the residence of an ex-girlfriend. A confrontation ensued between the man and the woman's current boyfriend, during which both individuals exchanged gunfire. The ex-boyfriend was struck during the exchange and sustained serious injuries.

At this time, both involved individuals have been identified and detained. Detectives are working diligently to determine the exact circumstances that led to the shooting. Arrests are expected once appropriate charges have been determined.

Further information will be released as the investigation progresses.
