Operation Curveball Leads to Arrest of Convicted Felon Kendrick White

Kendrick White

As part of the ongoing enforcement efforts under Operation Curveball, the Shreveport Police Department is highlighting recent arrests that underscore the operation's impact.

On April 25, 2025, just after 9:00 a.m., officers conducted a traffic stop near the intersection of Jewella Avenue and Huston Street. The driver, identified as Kendrick White, was found to have an outstanding warrant and was immediately taken into custody.

During the stop, officers discovered that White was in possession of a handgun and narcotics. Although White briefly resisted, he was quickly subdued and arrested without further incident.

Further investigation revealed that White is a convicted felon, having pleaded guilty in September 2024 to charges related to the handling of a machine gun. As a result, he now faces additional charges including:

- Distribution of a narcotic
- Resisting an officer
- Felon in possession of a firearm

Operation Curveball was a key initiative in targeting criminal activity and removing dangerous individuals from our streets.
