Shreveport Mayor Tom Arceneaux and Curtis “50 Cent” Jackson, entertainment mogul and entrepreneur, have officially signed a lease today for Stage Works, a dynamic new space aimed at supporting creative productions, events, and multimedia development.

The agreement marks a major step forward in Jackson’s continued expansion into entertainment infrastructure and production investment.

“Shreveport has shown me nothing but love, and I’m proud to make this partnership official. Stage Works is the next phase, we’re building a hub for creativity, opportunity, and next-level content right here in Louisiana” said Curtis “50 Cent” Jackson.

Further details regarding Stage Works, including programming, events, and collaborations, will be released in the coming weeks.
