Shreveport Police Arrest Serial Burglary Suspect

Jerome Williams

The Shreveport Police Department has arrested a man in connection with multiple burglaries across the city.

Jerome Williams has been charged with four counts of Simple Burglary and one count of Criminal Property Damage following an extensive investigation conducted by detectives with the Property Crimes Unit.

Williams is accused of burglarizing a business in the 3400 block of Hollywood Avenue on May 3, 2025. During the incident, he was captured on surveillance video before cutting the cords to the security system. Detectives later discovered Williams had also burglarized the same location on April 27, 2025.

In addition, Williams is alleged to have burglarized a City-owned property in the 1700 block of Kings Highway on two separate occasions—May 28 and June 3—where he broke into a city office building and caused extensive damage.

Thanks to the diligent work of the Shreveport Police Department's Property Crimes Unit, Williams was identified and taken into custody on June 5, 2025.

The SPD commends the detectives for their thorough investigation and commitment to holding offenders accountable.
