Shreveport Man Arrested in January Sexual Assault Case

Christopher Stark

The Shreveport Police Department has arrested Christopher Stark in connection with a sexual assault investigation stemming from an incident that occurred in January 2025 in the 2400 block of Lakeshore Drive.

Following a thorough investigation by SPD detectives, Stark was identified as a suspect. Detectives obtained critical DNA evidence, which ultimately led to an arrest warrant being issued. On June 10, 2025, officers with the SPD Warrants Unit located and arrested Stark without incident.

He is charged with one count of indecent behavior with a juvenile and one count of third-degree rape. The victim in this case is a 15-year-old juvenile.

According to Louisiana law, third-degree rape occurs when sexual intercourse is committed without lawful consent of the victim under certain qualifying conditions, including mental incapacity, intoxication, deception, or direct lack of consent. If convicted, Stark could face up to 25 years in prison.

The Shreveport Police Department remains committed to thoroughly investigating cases involving crimes against juveniles and bringing those responsible to justice.

Anyone with additional information related to this case is urged to contact SPD at 318-673-7300 or Caddo Crime Stoppers at 318-673-7373.
