Father Arrested After Children Found Unsupervised in Unfurnished Apartment

Ca'Marion Davis-Howard

On July 11, 2025, Shreveport Police Department detectives were contacted by Louisiana Probation and Parole officers who were conducting a follow-up on an individual. During their visit, they discovered four unsupervised juveniles—ranging in age from 11 months to 5 years old—inside an unfurnished apartment located at 2929 Peach Street.

The children included a 5-year-old female, a 3-year-old male, a 1-year-old male, and an 11-month-old male. All four were found without any adult supervision or appropriate care.

SPD officers immediately responded to the scene and initiated an investigation. Through that process, they identified the father of the children, Ca'Marion Davis-Howard, as the responsible party. He was contacted and returned to the apartment approximately 40 minutes to an hour later.

Davis-Howard was subsequently arrested and booked on four counts of child desertion. The children were turned over to the appropriate authorities for care and protection.

This incident remains under investigation.
