Shreveport Police Seek Public's Help in Identifying Suspects in Burglary and Vehicle Theft

On July 28, 2025, just after midnight, officers with the Shreveport Police Department were dispatched to the 1500 block of Line Avenue in response to a burglary and vehicle theft.

The victim, a disabled veteran, reported that while he was asleep around 12:40 a.m., two unknown individuals—a Black male and a White female—entered his residence without consent. The suspects proceeded to steal various items, including clothing, jewelry, and the keys to the victim's vehicle, a white 2019 Mercedes-Benz.

After collecting the stolen property, the suspects fled the scene in the victim's vehicle. Shortly afterward, the victim's debit card was unlawfully used at a local Circle K convenience store.

SPD detectives have since obtained video surveillance footage related to the incident and are actively working to identify the individuals responsible. This crime is especially troubling given the victim's status as a military veteran—someone who has already given much in service to our country.

Theft is cowardly on its own, But to steal from a sleeping veteran? That deserves no sympathy and no quarter. We will find these individuals—and we will bring them to justice.”

Anyone with information about this incident or the suspects involved is urged to contact the Shreveport Police Department at 318-673-7300. Those wishing to remain anonymous may contact Caddo Crime Stoppers at 318-673-7373 or submit tips online via the P3 Tips app.
