Retail Theft by FedEx Driver

Jalen Page

On August 13th, at approximately 1:30 p.m., officers with the Shreveport Police Department were dispatched to 7044 Youree Drive in reference to a theft in progress. The location is a strip mall containing several connected businesses.

Officers were advised that a man wearing a FedEx uniform was suspected of stealing items from packages. Upon arrival, officers observed several boxes that had been cut open with a knife. A reported FedEx driver, identified as Jalen Page, was seen removing items from the packages.

Further investigation revealed that Page had several thousands of dollars' worth of stolen merchandise inside his FedEx truck. Officers determined the items had been stolen from multiple businesses, including Buckle, Best Buy, Rack Room Shoes, and American Eagle. Additional stolen packages were identified from Lululemon, Sports Spectrum, and several other stores.

Detectives from the Shreveport Police Department's Property Crimes Unit responded to the scene to continue the investigation. At this time, Page has been charged with three counts of Organized Retail Theft. Detectives believe this case is far from over, as more stolen property is being identified and recovered. It is estimated that more than \$25,000 worth of merchandise has already been recovered, with additional items seized for processing.

The Shreveport Police Department would like to thank the citizens who reported suspicious activity, the diligent work of our patrol officers who initiated this case, and the detectives who are now working to identify victims and return thousands of dollars in stolen merchandise.
