Shreveport Police Seek Suspect in Circle K Phone Theft

Camron Grant

On August 18, 2025, detectives with the Shreveport Police Department's Property Crimes Unit were contacted regarding a stolen phone at a Circle K convenience store. The victim reportedly left their phone on the counter while making a purchase, and it was later taken by an unknown suspect.

Store employees were able to review security footage and identified the suspect as Camron Grant, who is easily identifiable on camera due to his distinct appearance. Detectives obtained the video and positively identified Grant. The phone was subsequently tracked to Grant's location.

Officers were unable to recover the phone or locate Grant in person; however, when contacted via telephone, Grant initially denied taking the phone. When confronted with video evidence, he then claimed he had given it to the cashier, which was not the case.

Detectives have obtained a warrant for Camron Grant's arrest for one count of felony theft. Anyone with information regarding his whereabouts is urged to contact the Shreveport Police Department at 318-673-7300 or Caddo Crime Stoppers at 318-673-7373.
