Additional Charges Filed Against Cadarius Southall in Vehicle Burglary Case

Cadarius Southall

Shreveport Police Department Property Crimes detectives have added more charges against 20-year-old Cadarius Southall after linking him to a July 26, 2025, vehicle burglary incident.

On that date, officers responded to the 400 block of Ratcliff Street regarding two vehicles that had been burglarized. One of the victims provided security camera footage of the incident. During the investigation, officers learned that a cross-body bag containing a wallet had been stolen from one of the vehicles. The victim later reported that her credit card was fraudulently used multiple times to order food through DoorDash.

Detectives secured and executed a search warrant at a residence in the 4100 block of Forest Oak Drive. Inside Southall's bedroom, investigators located a Chime debit card embossed with his name. Further review of the security footage confirmed Southall matched the description of one of the suspects seen committing the burglary.

At the time of this discovery, Southall was already incarcerated at Caddo Correctional Center on unrelated vehicle burglary charges stemming from an August 10, 2025 offense. An arrest affidavit was filed adding charges of Simple Burglary and Access Device Fraud (4 counts).

The Shreveport Police Department remains committed to thoroughly investigating property crimes and holding offenders accountable.

Anyone with additional information regarding this or other property crimes is urged to contact Shreveport Police at 318-673-7300 or Caddo Crime Stoppers at 318-673-7373. Crime Stoppers offers cash rewards for information leading to the identification and arrest of suspects.
