## Public Safety Exercise Scheduled for September 25

The Shreveport Police Department, Shreveport Fire Department, and the Caddo Parish Sheriff's Office will conduct a joint public safety exercise on Thursday, September 25, at 9:00 a.m. at Calumet, located in the 3300 block of Midway Avenue.

To facilitate the exercise, Jewella Avenue will be closed between Midway Street and Hollywood Avenue from 8:00 a.m. until noon. Motorists are encouraged to plan alternate routes and residents are asked for their patience and cooperation during this time.

The public should not be alarmed by the large presence of emergency vehicles, personnel, and specialized units, including the Shreveport Police Drone Team. This exercise is designed to strengthen coordination and preparedness among first responders in managing a variety of emergency scenarios.

The Shreveport Police Department thanks the community for its understanding and support as we continue working to ensure the safety and security of all Shreveport residents.
