

**TITLE:           ADDENDUM #1 - 2025 CDBG PUBLIC FACILITIES NOTICE OF FUNDING AVAILABILITY**

**SUBJECT:        CLARIFICATION OF ELIGIBLE PUBLIC FACILITIES ACTIVITIES**

This Addendum serves as an official clarification to the City of Shreveport Department of Community Development's 2025 CDBG Public Facilities Notice of Funding Availability (NOFA).

**Eligible Activities Requirement**

To be considered for funding under this NOFA, proposed Public Facilities projects must be **improvements to facilities that provide existing services to the public** and must be postured to continue or resume these services upon completion of the public facilities project.

**Projects must clearly demonstrate that:**

- The facility currently operates and delivers services or programming to individuals or households that are considered limited clientele or residents of LMI areas;
- The proposed improvement will enhance, expand, or sustain those existing services;
- The facility has the capacity and plan to continue or promptly resume serving individuals or households upon completion of the project; and
- Documentation of current services is provided with the application.
