Repair of Water Main at Spring Street and Texas Street

A 12 inch water main has ruptured at the corner of Spring Street and Texas Street in the Downtown area. The City is closing some lanes of traffic on Spring Street to clear debris from the area as well as isolate an area for repairs. Crews are currently working to isolate and valve down the water mains. Updates concerning repairs and effected areas of water outage will be forthcoming.

If there are questions or concerns, please contact the Department of Water and Sewerage at 673-7660.
