FOR IMMEDIATE RELEASE

10/13/25

## Body Recovered from Twelve Mile Bayou

This afternoon, the Shreveport Police Department, with assistance from the Caddo Parish Sheriff's Office and the Shreveport Fire Department, recovered a deceased individual from a remote area of Twelve Mile Bayou.

The remains were discovered by a fisherman, and with the coordinated efforts of all responding agencies and the use of the Shreveport Police Department's Drone Unit, the body was located, recovered, and transported to the Stoner Boat Launch. The remains were then released to the Caddo Parish Coroner's Office.

The deceased is described as a Black male, possibly in his 40s. At this time, foul play is not suspected; however, the investigation remains ongoing. The Caddo Parish Coroner's Office will assist in positively identifying the deceased and determining the exact cause of death.

The Shreveport Police Department would like to thank the Caddo Parish Sheriff's Office and the Shreveport Fire Department for their assistance and professionalism throughout this operation.
