Shreveport Police Seek Suspect in Vehicle Theft Captured on Camera

The Shreveport Police Department is investigating a vehicle theft that occurred in the early morning hours of September 15, 2025, in the 2100 block of Line Avenue.

Just after 1:40 a.m., officers responded to reports that a Dodge Ram belonging to a local business had been stolen. The vehicle, which had a trailer attached, sustained damage during the theft. Fortunately, the business was equipped with a dash camera that captured clear footage of the suspect and the incident.

Detectives reviewing the footage were able to see the suspect's face and are now seeking the public's assistance in identifying him. While the circumstances surrounding the theft are unusual, investigators want to assure the public that the incident did, in fact, occur — and that the video evidence is authentic.

Anyone with information that can help identify the suspect is urged to contact the Shreveport Police Department at 318-673-7300 or Caddo Crime Stoppers at 318-673-7373. Crime Stoppers offers cash rewards for information leading to the identification and arrest of those responsible for crimes, and tipsters can remain anonymous.
