Single-Vehicle Crash Claims the Life of a Man

On Sunday, November 16th, 2025, at approximately 4:21 a.m., Shreveport Police officers were dispatched to LA 3132 at West 70th Street in reference to a single-vehicle crash. Upon arrival, officers located a severely damaged vehicle and discovered that the driver had been ejected during the collision. Shreveport Fire Department medics assessed the individual and pronounced him deceased on the scene.

The Shreveport Police Department's Crash Investigations Unit responded and began processing the scene. A preliminary investigation revealed that the driver of a white GMC Sierra was traveling westbound on LA 3132 when, for unknown reasons, the vehicle left the roadway and struck a guardrail. The vehicle then crossed back over the roadway before colliding with a tree, resulting in catastrophic damage and the driver's ejection.

The Caddo Parish Coroner's Office arrived and took possession of the deceased. Next of kin has been notified.

This incident remains under investigation. Further updates will be provided as information becomes available.
