## Shooting Incident on Baird Road Leads to Arrest

**Lorenz Miller**

Shreveport Police officers responded to a reported shooting at approximately 2:00 a.m. in the 9700 block of Baird Road. Upon arrival, officers located a male suffering from multiple gunshot wounds to his mid and lower extremities. Officers immediately rendered aid until relieved by the Shreveport Fire Department.

The preliminary investigation identified the injured male as Lorenz Miller. Detectives learned that Miller went to the residence because his on-again, off-again girlfriend lives at the location. When he arrived, the female refused to let him inside. Witnesses reported hearing Miller aggressively banging on the front door.

Although the victim initially stated that Miller kicked in the door due to not having a key, officers determined that Miller actually gained entry by climbing to the second-floor balcony and entering through the back patio door. Once inside the residence, Miller entered the bedroom where the female occupant was located.

At that time, another male who was in the bedroom produced a firearm and shot Miller multiple times.

After interviewing the involved parties and reviewing the evidence, officers placed Lorenz Miller under arrest for Unauthorized Entry of an Inhabited Dwelling. He was transported for medical treatment and will be booked following his release.
