FOR IMMEDIATE RELEASE

12/5/25

Burglar Arrested

Joshua Jackson

On November 27, 2025, the Shreveport Police Department was notified of a burglary at the MetroPCS located at 1929 Centenary Boulevard.

Officers initially responded to the business at approximately 12:17 p.m. in reference to an alarm. Upon searching the building, officers discovered a hole in the interior wall. Further investigation revealed that the suspect gained entry through an abandoned duplex attached to the business, where a larger hole had been cut to access the store.

All high-value electronic items were secured inside a safe, which the suspect was unable to breach. Detectives later met with the regional manager, who provided video footage recorded before the cameras were disabled. The footage revealed that the suspect did take several items of value.

Thanks to the suspect's distinct tattoos and a tip submitted to officers, detectives were able to positively identify the individual seen in the security footage as Joshua Jackson (8/18/1991).

This morning, Jackson was taken into custody on the outstanding warrant after patrol officers encountered him during an unrelated call for service. He was located inside an abandoned apartment on Centenary and subsequently arrested.

The Shreveport Police Department remains committed to holding individuals accountable for property crimes that impact our local businesses and community.
